An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael L. Taylor on July 17, 2006.

Claims 1, 2, 4-23, 26-31, 33-36, and 40 have been canceled.

In claim 39, line 6, "a", second occurrence, has been replaced by --an--.

The above revision to claim 39 was made in order to correct a minor grammatical error, which was noted by the examiner subsequent to the aforementioned interview. No extension fee under 37 CFR 1.136 is required, however, because the informality was identified for the first time in the present Office action (MPEP § 706.07(f), section II(G)).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dave Willse whose telephone number is 571-272-4762 and who is generally available Monday through Thursday and sometimes on Friday. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Corrine McDermott, can be reached on 571-272-4754. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
